## EXPERIENCES

### Udemy Website (clone)

#### TEAM-LEADER

4/2021 - 6/2021

- Link: <https://udemy-clone.vercel.app/>
- Github: <https://github.com/QuangHuy-h20/Final-Udemy-clone>
- Worked with a variety of libraries to built-up Udemy web such as: React, Styled-components, Material-UI, Redux, Axios.
- Developed website based on www.udemy.com UI, with some essential functions such as Authorization, view courses, view course detail, enroll, edit user information, manager courses, users,...
- Worked with a team of three developers to develop the website.
- Responsibilities:
  - + Assigned tasks for everyone in the project.
  - + Built and designed user module using React, styled-components integrated Material - UI, called and handled APIs using Redux, Axios.
  - + Resolved problems in the project's process.
  - + Using Git to manage/resolve conflict code.
  - + Tested sites in various browsers and devices to ensure cross-browser compatibility and mobile responsiveness.
- Communicated with team Back-end to get and call APIs, render data to website UI.
- Deployed with Vercel.

### Ford Website (clone)

#### TEAM-LEADER

1/2021 - 2/2021

- Link: <https://ford-clone.vercel.app/>
- Github: <https://github.com/QuangHuy-h20/Middle-Ford-clone>
- Developed and built-up Ford website with fully responsive, based on www.ford.com UI.
- Worked with a team of two developers to develop the website.
- Communicated and collaborated with a partner to analyzed layouts and got variables.
- Primarily using technologies: HTML, CSS/Sass, Bootstrap, jquery.
- Responsibilities:
  - + Assigned tasks for everyone in the project.
  - + Using Git to manage/resolve conflict code.
  - + Designed web page using HTML and Sass integrated Bootstrap.
  - + Tested sites in various browsers and devices to ensure cross-browser compatibility and mobile responsiveness.
- Deployed with Vercel.

## EDUCATION

### Software Engineering

HCM UNIVERSITY OF TECHNOLOGY  
GPA: 3.2/4

9/2018 - Present

### Front-end Foundation

CYBERSOFT ACADEMY

12/2020 - 5/2021

### Thinking in programming, problem-solving and OOP

CYBERSOFT - CYBERLEARN

05/2020 - 07/2021

## SOFT-SKILLS

Teamwork

Communicate

Self-taught

## LANGUAGES

English:

-  - Communicating (Intermediate)
- Reading documents

## INTERESTS

-  - Traveling
- Reading
- Photograph
- Sports
